From the owner:

I have long considered myself somewhat of a food connoisseur simply because I love good food! Living in Concord all my life, I have enjoyed dining out in restaurants all over New England, from Maine to Cape Cod. Although I have always been in the automobile business, it had long been my dream to open my own restaurant. Thus the Westford Grille was born!

It is my hope and utmost goal to impress you from the moment you enter our restaurant by offering you a happy and relaxing atmosphere where you truly enjoy your entire dining experience. We have assembled a great team of people here at the Westford Grille.

We are all very much aware of the fact that if were not for you, our valued guests, we would not have our business!
